Subject: Corrected Class IIIb Landfill Permit By Rule

Dear Mr. Harms

On October 9, 2002 you received the Permit By Rule for the Georgia Pacific Corporation Class IIIb Landfill located in NW ¼ of the SW ¼ of Section 12, Township 22 South, Range 1 West in Sevier County. Page one of the Permit By Rule provides an effective date and incorrectly provides a five-year expiration date. The Permit By Rule should not include an expiration date. To correct this, please find the enclosed permit with no expiration date. The conditions contained in the permit are identical to the October 9, 2002 Permit By Rule.

If you have any questions regarding this new permit, please feel free to contact Jeff Emmons at 801-538-6701.

Sincerely,

Dennis R. Downs, Executive Secretary
Utah Solid and Hazardous Waste Control Board

DRD/JE/kk

**UTAH SOLID AND HAZARDOUS WASTE CONTROL BOARD
SOLID WASTE PERMIT BY RULE**

CLASS IIIb LANDFILL

Pursuant to the provisions of the *Utah Solid and Hazardous Waste Act*, Title 19, Chapter 6, Utah Code Annotated (UCA) 1953, as amended (the Act) and the *Utah Solid Waste Permitting and Management Rules*, Utah Administrative Code (UAC) R315-301 through 320 adopted thereunder,

Georgia Pacific Gypsum Corporation as owner and operator

is hereby permitted by rule under UAC R315-318 to operate the Georgia Pacific Mine Site landfill located in NW ¼ of the SW 1/4 of Section 12, Township 22 south, Range 1 west, Salt Lake Base and Meridian, Sevier County, Utah as shown in the permit by rule application.

The operation of the landfill is subject to the condition that Georgia Pacific Gypsum Corporation (Permittee) meet the requirements set forth herein.

All references to UAC R315-301 through 320 are to regulations that are in effect on the date that this permit becomes effective.

Effective date: November 5, 2002

Signed this 5th day of November 2002

Dennis R. Downs, Executive Secretary
Utah Solid and Hazardous Waste Control Board

TYPE Class IIIb Noncommercial Solid Waste Landfill

APPROVAL Permit By Rule

LOCATION NW ¼ of the SW 1/4 of Section 12, Township 22 south, Range 1
west, Salt Lake Base and Meridian, Sevier County, Utah, Lat. 38°
52' 28", Long. 111° 51' 0"

Permit as used in this document is defined in UAC R315-301-2(55).

By this permit by rule, the Permittee shall be subject to the following conditions.

I. GENERAL COMPLIANCE RESPONSIBILITIES

A. General Operation

The Permittee shall operate the Class IIIb landfill in accordance with the conditions of this Permit by rule and with all requirements of UAC R315-304, that are currently effective for a Class IIIb Landfill.

B. Noncompliance

1. If monitoring, inspection, or testing indicates that any permit condition or any applicable rule under UAC R315-301 through 320 may be or is being violated, the Permittee shall promptly make corrections to the operation or other activities to bring the facility into compliance with all permit conditions or rules.

C. Inspection and Inspection Access

The Permittee shall allow the Executive Secretary of the Utah Solid and Hazardous Waste Control Board or an authorized representative of the Board, or representatives from the Central Utah Health Department, to enter at reasonable times and:

1. Inspect the landfill or other premises, practices or operations regulated or required under the terms and conditions of this Permit or UAC R315-301 through 320;
2. Have access to and copy any records required to be kept under the terms and conditions of the Permit or UAC R315-301 through 320;
3. Inspect any loads of waste, treatment, pollution management, or control facilities required under the Permit or regulated under UAC R315-301 through 320; and
4. Obtain a record of any inspection by photographic, videotape, electronic, or other reasonable means.

D. Prohibited Waste

No hazardous waste as defined by UAC R315-1 and R315-2; no PCB's as defined by UAC R315-301-2(53), except those specified by UAC R315-315-7(2)(a) and (c); no household waste; no municipal waste; special waste, except as specified in this permit; or commercial waste shall be accepted for treatment, storage, or disposal at the landfill.

E. Acceptable Waste

This permit is for disposal of nonhazardous industrial waste, as defined in UAC R315-301-2(35), generated by Georgia Pacific Gypsum Corporation and as described in the application for permit by rule.

F. Revocation

1. This permit by rule is subject to revocation if any condition of this permit is not being met. The Permittee will be notified in writing prior to any proposed revocation action and such action will be subject to all applicable hearing procedures established under UAC R315-12 and the *Utah Administrative Procedures Act*.

II. LANDFILL OPERATION

A. Waste Inspections

The Permittee shall visually inspect incoming waste loads to verify that no wastes other than those allowed by this permit are disposed in the landfill.

B. Cover

The Permittee shall cover the waste as necessary to prevent fires, and control vectors, blowing litter, odor, scavenging, and fugitive dust.

C. Disposal of Liquids

Disposal of noncontainerized material containing free liquids or any waste containing free liquids in containers larger than five gallons is prohibited.

D. Burning of Waste

Intentional burning of solid waste is prohibited and is a violation of UAC R315-303-5(2)(b). All accidental fires shall be extinguished as soon as possible.
